Potential agriculture items of India's export to Chile**a. New Items Methodology**

- Items in which Chile's imports of agricultural items from India were negligible during 2021.
- The global import of Chile in these tariff lines and global exports of these commodities by India is over US \$ 10 million.
- Chile may explore the possibility of sourcing these agricultural items from India. Sanitary Phyto-sanitary (SPS) and other requirements in respect of these products may be sought from Chile.

b. Existing Items Methodology

- To arrive at the potential items in existing agricultural items, share of India's exports in Chile's import along with share of India's exports to Chile viz-a viz world has been studied.
